

Sport Premium:

Funding 2016-2017

Projected Income: £8,990

PE and Sport play a very important part in the life of St.Chad's CE Primary School. We believe that physical education and sport contribute to the holistic development of young people and through participation in sport and physical education, young people learn more about key values such as teamwork, fair play and respect for themselves and others.

The government is providing additional funding of £150 million to improve provision of physical education and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school. Each school receives £8000, plus £5 per pupil on roll.

At St.Chad's CE Primary we have developed a provision plan to ensure this funding is invested (rather than 'spent') to maximise the long term impact of our PE provision for pupils and staff. The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, something our teachers assess at the end of each term. Our PE subject leader has completed a subject report on PE for governors and staff in 2016 judging our school outcomes to be at least good in PE and identifying areas of further improvement.

Following our audit of the impact of our Sports Premium in 2015-16 (see report) we plan to use our Sports Premium monies in 2016-17 in the following ways:

We are continuing to spend it on the following initiatives/ areas of provision:	We are extending our spending to include the following:
<ul style="list-style-type: none">• REAL PE scheme of work• Assessment framework for PE• Running sports competitions• Subject leader CPD and networking• Swimming CPD for staff and payment of additional swimming instructor at the poolside.• Releasing the PE subject leader to observe PE lessons identifying strengths and areas for improvement and survey of staff skills.• Staff training provided to support identified areas for improvement.• Provide release time for PE co-ordinator to plan Health and Sports week,	<ul style="list-style-type: none">• New equipment to support the teaching of PE• Provision of extra-curricular activities• Increasing pupil participation in Schools Games• Running sports activities with other local schools.• CPD for staff in dance and swimming• Use of sports coach to provide tuition to staff and pupils• Audit and purchase of new lunchtime sports equipment including skipping ropes
