

Sport Premium:

Funding 2017-2018

Projected Income: £18,100

PE and Sport play a very important part in the life of St.Chad's CE Primary School. We believe that physical education and sport contribute to the holistic development of young people and through participation in sport and physical education, young people learn more about key values such as teamwork, fair play and respect for themselves and others.

At St.Chad's CE Primary we have developed a provision plan to ensure this funding is invested (rather than 'spent') to maximise the long term impact of our PE provision for pupils and staff. The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, something our teachers assess at the end of each term. Our PE subject leader has completed a subject report on PE for governors and staff in 2017 judging our school outcomes to be at least good in PE and identifying areas of further improvement.

Following our audit of the impact of our Sports Premium in 2016-17 (see report) we plan to use our Sports Premium monies in 2017-18 in the following ways:

We are continuing to spend it on the following initiatives/ areas of provision:	We are extending our spending to include the following:
<ul style="list-style-type: none">• Subject leader CPD and networking• CPD for staff in dance and swimming• Releasing the PE subject leader to observe PE lessons identifying strengths and areas for improvement and survey of staff skills.• Staff training provided to support identified areas for improvement.• Provide release time for PE co-ordinator to plan Health and Sports wee• Provision of extra-curricular activities• Running sports activities with other local schools.	<ul style="list-style-type: none">• Introducing Sporting Age initiative across school to assess and track pupils progress in PE and to support staff with planning to meet the needs of each individual learner.• Introducing the Sporting Age portal to enable parental participation in PE.• Purchasing resources to support the delivery and implementation of the Sporting Age Curriculum• Engaging the support of external sports providers to enhance the PE offer
