Find out if there are any Roman forts or settlements near where you live. Try to visit one with your family. Take lots of photographs of what you see.	Look at Roman artefacts in detail at a local museum or on the British Museum website. Create a PowerPoint presentation, showing the artefacts that most interest you, and provide information about what they were used for.	Make a model of a Roman villa using junk materials such as cereal boxes, coloured paper, tin foil and cardboard tubes. Use online images and pictures in non-fiction books to inspire the layout of your villa.	Create a Celtic costume. Tartan pyjama bottoms and blankets may come in handy. You could borrow a brooch to secure your cloak or some Celt-inspired jewellery.

Write some number calculations using Roman numerals, for your friends to solve. Find out the dates of birth of your family and friends and record them in Roman numerals.	Try to find a map of Roman Britain. Find out about some of the names of towns and cities. What are their modern names?	Find some proverbs with Roman origins. Choose one and write it in your best handwriting with suitable illustrations. Can you explain to your family what it means or what advice it gives?	Write a diary entry as if you are a Roman soldier, a slave in a Roman villa or a Celtic child. What is your typical day like?
